CMEF China International Medical Equipment Fair | ICMD REHABSHOW | INTELLIGENT HEALTH ELDERLYCARE

CMEF O&O Exhibition Plan

Achieving What You Wish for Exhibiting Wherever you are

October 13-16, 2021 | Shenzhen World Exhibiton & Converntion Center

About Us

The COVID-19 pandemic may be with us for some time, but our goals that building the gateway to Asia-Pacific's medical equipment and manufactory industry are forged to achieve. For **CMEF Autumn 2021**, we will provide **O&O**(online&offline) **Exhibition** opportunities as a bridge to connect Chinese professional buyers for distinguish international exhibitors who could not attend the show.

The **O&O Exhibition** will be a vital and optimal platform for your trading and investing in China's medical device market as the physical one always is. **CMEF O&O Exhibition** will allows you to efficiently set your booth and meeting remotely for maximum benefit.

BUSINESS GOALS

We aim to help you to accomplish

Real-time connection with potential buyers who will be greeted by well-trained receptionist.
No missing opportunities!

Promote your company, release new production and med-tech, and make appointment with clients as you present at CMEF as in previous years!
