Distributor Alliance Club

Distributor Alliance Club serves as a dynamic platform on-site. It is a renowned destination for professionals to network and explore new opportunities, making it an indispensable component of the event.

In the past exhibitions, it has attracted **1000+ visitors**, creating a vibrant and energetic atmosphere. It has successfully established **connections between 100+ distributors and exhibitors**.

At the club, we offer:

01

Exhibitors can **showcase** their **company information**, highlighting their products and services.

02

Distributors with a convenient opportunity to **source and identify valuable products** that align with their business needs.

03

Post supply and demand requests, participants can directly communicate requirements and explore potential collaborations.

iCMEF Live is a unique platform that offers an exceptional opportunity to experience CMEF from anywhere in the world.

It is designed to cater to the needs of professionals and enthusiasts who wish to participate in this prestigious event but are unable to attend in person.

During the exhibition period, iCMEF Live becomes a virtual extension of the CMEF, offering a comprehensive array of resources and services that mirror the on-site experience. Our experienced team members will collaborate with a select group of exhibitors to guide you through the event's atmosphere, showcase latest offerings and innovative solutions.

**Join Us on Future
iCMEF Live!**

Together, we can extend the latest product showcasing and business collaboration beyond the on-site booth.
